# SWORD IN STONE SOLUTION

OBJECT: REMOVE THE SWORD FROM THE BASE BLOCK

1. With the sword starting completely inside of the base block, rotate the sword so that the "tooth" marked R1 lines up with the gap in the base block marked D9 and slide the sword up one step.
2. Turn L2 clockwise to D1 then slide up.
3. Turn L2 clockwise to D11 then slide down.
4. Turn L2 clockwise to D9 then slide up.
5. Turn R3 counterclockwise to D3 then slide up.
6. Turn L2 clockwise to D9 then slide up.
7. Turn R5 clockwise to D1 then slide up.
8. Turn R5 clockwise to D11 then slide down.
9. Turn R5 clockwise to D9 then slide up.
10. Turn L6 clockwise to D1 then slide up.
11. Turn L6 clockwise to D11 then slide down.
12. Turn L6 clockwise to D9 then slide up.
13. Turn R7 counterclockwise to D3 then slide up.
14. Turn L8 clockwise to D9 then slide up.
15. Turn R9 clockwise to D1 then slide up.
16. Turn R9 clockwise to D11 then slide down.
17. Turn R9 clockwise to D9 then slide up.
18. Turn L10 clockwise to D1 then slide off.

Reverse these steps to return the sword into the base block.
